91 clients accessed our driver-training vehicle

Welcome to our 2023/2024 Annual General Meeting.
Early in 2024 we united our existing brands, PQSA and HomeCare+, under one inclusive identity: *estara*.

With over 60 years of experience supporting and advocating for people living with a disability, *estara* is proud to provide quality in-home and community support and specialised disability services. We present this highlight of our year's activities to our valued members.
